

RICS – DIRECT ENTRY UPDATE FOR RISM MEMBERS

Individuals with a qualification giving direct entry to MRICS, but who do not yet meet any additional conditions relating to time or academic qualifications, are eligible for direct entry to Associate membership of RICS.

RICS will also recognise the qualification as equivalent to an RICS-accredited degree.

Holders of the qualification are eligible for RICS Graduate routes to membership. Their qualification substitutes for the RICS-accredited degree, and they must meet all other requirements for the route in question.

Anyone interested in direct entry to AssocRICS can refer any questions to Esther Teo, Membership Development Officer, RICS Malaysia, on +603 (7957) 9184

**Royal Institution of Surveyors Malaysia
(RISM)**

**Approved for direct entry to AssocRICS in
the Building Surveying, Quantity Surveying
& Construction, Valuation, and the new
Land pathways**

Approved for Graduate routes
