BOVEAP 7 CPD hours applied for

Desaru Coast is a premium integrated destination resort and one of Malaysia's most anticipated new tourism developments creating a unique blend of globally renowned resorts and villas, a riverside dining haven, a conference centre championship golf courses and a fun-filled adventure waterpark. It provides the perfect escape for the discerning traveler, be it leisure, a golf getaway or simply for those in need of an adventure. This premium integrated destination lets you be your ideal self, anywhere along the 17km of unspoiled beachfront.

The Pengerang Integrated Petroleum Complex (PIPC) is one big step in creating value to the downstream oil and gas value chain in Johor. Sited in Pengerang, it is one of the largest pieces of investments in the Pengerang district and located on a single plot measuring about 20,000 acres. The project will house oil refineries, naphtha crackers, petrochemical plants as well as a liquefied natural gas (LNG) import terminals and a regasification plant.
