

11th RISM International Surveying Conference For Undergraduates 2019

Surveyors Beyond Surveying: Future Trends for Generation Z

Date:

27th April 2019

Venue:

**University of Reading
Malaysia**

Organised by:

Royal Institution of Surveyors Malaysia (RISM)

Hosted By:

Sponsored By:

Participating Universities:

27th April 2019 (Saturday)

7.30am	Registration at UoRM
8.40am	Arrival of guests and lecturers
9am	Arrival of Guest of Honour and Plenary Speakers National Anthem
9.10am	Welcoming address
9.25am	Opening address
9.40am	Keynote address by Sr Dr. Ong See Lian, Chairman, Standard Setting Committee for International Construction Measurement Standard (ICMS).
10.10am	UoRM Student representative speech
10.25am	Tea break
11am	Plenary session 1 Sr Eugene Seah, Senior Director, Surbana Jurong Group
11.30am	Plenary session 2 Sr Mohd Talhar Abdul Rahman, Chairman, C H Williams Talhar & Wong (WTW)
12pm	Plenary session 3 Sr Ezam Ariffin, Principal Consultant Ezam & Associates
12.30pm	Plenary session 4 Assoc. Prof. Dr. Sr Syahrul Nizam Kamaruzzaman,
1pm	Lunch
2.00pm	Parallel Session
5.00pm	End;

SPEAKERS

KEYNOTE SPEAKER

"Constructing a Sustainable Future for the Built Environment Profession"

Sr Dr. Ong See Lian has an illustrious career spanning over 40 years in both the public and private sectors. Dr. Ong was the President of the Royal Institution of Surveyors Malaysia, RISM (2003 – 2004) and Chairman of Pacific Association of Quantity Surveyors (PAQS) (2003 to 2005).

He was the 130th Global President of the Royal Institution of Chartered Surveyors, RICS (2011-2012) - the first non-British citizen, first Asian and the first Malaysian to be elected to this prestigious position in RICS.

He is the current Chairman of the Standard Setting Committee for International Construction Measurement Standard (ICMS).

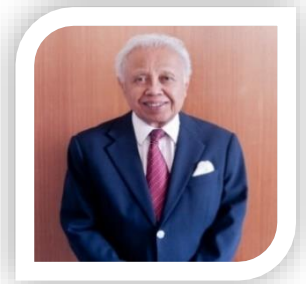

Sr Dr. Ong is a multiple awards winner for his contributions to the construction industry and the surveying profession including the "Most Prominent Player in the Construction Industry" by CIDB, Gold Award by Board of QS and the "David Bucknall Award" RICS.

PLENARY SESSIONS SPEAKERS-PROPERTY SURVEYING

Sr Mohd Talhar Abdul Rahman qualified as a Chartered Surveyor in 1964 after full time studying for the RICS Professional Examinations at the College of Estate Management in London. He served in the Local Government and Housing Department of the Johor State Government for three years before joining the Federal service as a Valuation Officer. He entered the private sector in 1973 setting up a Valuation and Real Estate Agency practice and co-founded C H Williams, Talhar & Wong (WTW) the following year becoming its Chairman in 1982 and remaining after the merger with CBRE in 2016, as Chairman of CBRE | WTW.

A Fellow of the Institution of Surveyors Malaysia he was one of first members of the Board of Valuers, Appraisers and Estate Agents.

He is presently a Visiting Fellow in the Henley School of Management, University of Reading Malaysia.

PLENARY SESSIONS SPEAKERS-GEOMATIC & LAND SURVEYING

Sr Ezam Ariffin, Principal Consultant and Owner at Ezam & Associates. Experienced Licensed Land Surveyor with a demonstrated history of working in the construction industry and land development. Skilled in large scale engineering projects such as Petronas RAPID. Strong education professional with a MSc Geomatics Engineering focused in Underground Utility Detection Survey from Universiti Teknologi Malaysia and a first degree from Newcastle University UK. Registered with the Land Surveyors Board of Malaysia since 2004 as a Licensed Land Surveyor.

Assoc. Prof. Dr. Sr Syahrul Nizam starts his engineering career when completing a Certificate in Building Services Engineering from Polytechnic Jitra, Kedah (POLIMAS) in 1994. After completing his studies at POLIMAS, Syahrul have been employed by a Civil & Structure Consultant which company was based in Petaling Jaya. He has been in the company for 11/2 years as an Autocad-Operator (Draught Person). He joined Corak Petikan Sdn. Bhd, a construction company based in Kedah as a Building Coordinator. From this company, he moved to join a public listed company Negara Properties (M) Berhad in 2002 as the Management Trainee. During this period, he has applied his extensive knowledge in building design, construction materials, construction management and procurements procedures in managing and supervising a construction project located at Nilai, Negeri Sembilan. Due to the great emphasize and interest on research field, he left his working environment and sailed for United Kingdom to undergo a research on buildings. He enrolls as a PhD student at UMIST which is now University of Manchester in 2003.

He currently attached to the Building Surveying Department, Faculty of Built Environment as a Senior Lecturer in 2006. His research interest is in Building Technology, Construction Engineering, Energy Efficiency in Buildings and Facilities Management. He is a certified Building Surveyor and also a registered member of the Institution of Surveyors Malaysia (MRISM). He is the executive editor of the Journal of Surveying, Construction and Property, editorial board for Journal of Facilities Management, UK (Emerald) and member of the editorial board for several international and local journals. He currently holds several publications in ISI (WoS) as well as in reputable international and national journal

Sr Eugene Seah joined Surbana Jurong Group on January 1 2017, as Senior Director, Group CEO’s office to spearhead and oversee the Group’s special projects, in particular Group initiative on Sustainable, BIM and Productivity. He oversees the Key Account Management team and is also a Director on the Boards of Three sixty Cost Management and Three sixty Contract Advisory.

He is highly experienced in Quantity Surveying and often injects sustainability value management and green approaches into his work to achieve to project efficiency. He is a Green Mark professional and is knowledgeable in sustainable buildings. He is also an Accredited Adjudicator under Singapore Mediation Centre and a registered Mediator in the Singapore Institute of Surveyors and Valuers.

Sr Eugene is now working on enhancing productivity in Design and Construction and researching on Computational BIM, VR/MR and other productivity enhancement topics for the Surbana Jurong Group.
