

RECENT CHALLENGES IN VALUATION PROFESSION IN MALAYSIA AND SOUTH KOREA

Background:

On 12 April 2019, Royal Institution of Surveyors Malaysia (RISM) signed an MOU with Korea Association of Property Appraisers (KAPA). Amongst the scope of cooperation agreed is the exchanges of experience and experts on real estate appraisal. The Property Surveying Division welcomes KAPA and its affiliate, Korean Appraisers Society (KAS) to have a Dialogue session on the "Recent Challenges in Valuation Profession in Malaysia and South Korea" attended by 25 Korean delegates. We take pleasure in inviting members to join the event and fellowship dinner. Come and join us today!

Join us to find out:

- How did technology change the valuation profession in Korea in the last 5 years
- What are the changes to anticipate in the constant changing business environment.
